Fellow Falconer:

ARE YOU INTERESTED IN FORMING AN ASSOCIATION  
THAT THROUGH A JOINT ENTERPRISE WILL BENEFIT  
ALL FALCONERS OF PENNSYLVANIA.....

I am writing to you in reference to just such an association. The association could be affiliated with N.A.F.A., and also be a commencement of communication.

My personal opinion is an association of this kind would not only be an opportunity to express our views, but also to give all of us a chance in Pennsylvania to suggest what we personally feel would be beneficial to the sport to which we are so greatly devoted.

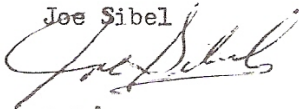

I would appreciate your opinion of such an association, and also any suggestions you may have, should you be interested. The details as they are formulated will be announced to all fellow Falconers of Pennsylvania who wish to be a part of the proposed association.

Your cooperation in the above matter will be in my opinion a benefit not only to the sport of Falconry but also to all the Falconers of Pennsylvania. Please forward all correspondence to the above address.

"REMEMBER IN UNITY THERE IS STRENGTH"

Sincerely,

Joe Sibel
